The course must have more information where I think it was not a graduate course it could be taken as undergraduate course

Please enter specific comments, if relevant, on the role that Information Technology plays or could play in this course

The Assignment should be the core measure of evaluation in masters level. At masters level, Home assignment (once every two weeks) is good way to learn rather than midterms and exams. His assignments stretches students brain and give massive learning opportunity. Though I did not score good in few of the assignments, but those mistakes made me learn and understand the concepts more clearly.
