Ref. No CNS-MD/08/219/2016

To: Prof. Ayman Badawi
Department of Mathematics and Statistics
American University of Sharjah, UAE,

From: Zelalem Teshome (PhD)
Head, Department of Mathematics

Subject: **Acknowledgement**

The Department of Mathematics is grateful to you in examining our PhD student **LitegebeWondie** to complete his PhD studies and your presentation to staff members and PhD students of the Department on the title “**Graphs associated to Commutative rings**”.

This is therefore, to acknowledge your performance and say thank you for your contributions you rendered to our Department.

With best Wishes
