<b>1</b>	some lessons need further explanation and that is why we couldnt always answer some questions in the exam. if there were more explanation and excersises we would be able to understand wel and hence answer any question. also the exams had no bounce questions and the whole course did not provid us with any extra bounces whether in exams or assignments to help us raising our overall.

<b>1</b>	Not only is the professor very knowledgable, but he also keeps the course interesting. He is also funny sometimes. The only problem is that he is sometimes late for class. But overall, an excellent teacher.
