<b>1</b>	We cannot discuss with him any question because he is always angry and he always shouts to us Also, when we have quiz, he walked around the class and after we finished, he specified the student who make mistakes and tease him /her in front of the all students in the class In my opinion, this is not modern way to deal with the student
<b>2</b>	...Make...
<b>3</b>	connecting with the students would be really appreciated
